Additional Options

Add music (supplied by customer) **: First two songs	\$20.00
Each additional song	\$10.00

If other manipulation of the images and music is desired, an editing charge will be added at: \$55.00 /hour
(This includes matching pictures to specific songs, synchronizing images or titles to specific parts of a song, and any other special requests.)

**If editing is required, there will be no "per song" fee. It will be added into the hourly editing fee — In most cases this will lower your final cost.
